RE: Town Administrator's Report

General Updates

I had discussions with representatives from AFSCME 93, the Union that represents the highway employees.

The job notice for the Superintendent's position was completed and sent out to the Berkshire Eagle, Berkshireshires, and The Beacon (through the Massachusetts Municipal Association). There are also online outlets that come as part of this job posting. The total cost for the advertising is about \$750.

Our Chapter 90 request was approved and I sent out the Invitation to Bid for Maple Drive. Bids are due back by August 27.

I had the pleasure of walking along the road concerning the Warner Gate issue. I expect to have a conversation with Attorney Mozian tomorrow. Attorney Pagnotta reached out and we spoke.
